

*Excellence in Engineering*

# **WELD-TECH ENGINEERS (I) PVT. LTD.**

## **SAFETY POLICY**

We are committed to:

- Provide safety and health standards, which will comply with the requirement of all relevant statutory provisions.
- Prevent accident and health hazards and maintain and control safe working environment.
- Provide effective supervision through trained personnel for the safety of men, material and machines
- Create awareness amongst employees by training and education to ensure safe working practices.
- Investigation of all accidents and dangerous / near miss occurrences and take preventive measures to avoid recurrences.
- Set up safety committee to enable effective implementation of the policy.
- Set up system for minimal Loss Time Incidence.

We sincerely believe that there is no job so urgent that can be done without Safety.

For WELD-TECH ENGINEERS (I) PVT. LTD.

SANJAY VISARIA
